

# Get On Board!

## Local Teens Join to Make A Difference

The Hendersonville Kid's Alliance to Skate, organized in the spring of 2006 by five local teens, sought the guidance & support of city leaders and businesses to realize their goal of a street skating plaza for the youth of the area.

The Kids Alliance is only \$68,000 from their goal of \$350,000. The final 12,000 square foot park design has been approved by the City of Hendersonville and is currently under bid for construction later this year. The Skate Plaza will be located in Patton Park on Asheville Highway.

Please join us by making a tax-deductible donation. Donations are accepted at any Mountain First Bank location; and the Community Foundation of Henderson County at:

*Skateboarding is illegal in the town of Hendersonville and continues to pose an issue for the safety of our youth, the downtown area, and our merchants*

*Hendersonville skaters gather at a local event. The city of Hendersonville will soon begin building a public skate park for area youth. Fundraisers are seeking to raise the remaining money needed to fund the project.*

"It doesn't take long for cities to realize that their modest skate parks get more use than their tennis courts or baseball fields."
